

What are We Eating?

Think of some fruits and vegetables that you and your partner like to eat.
Categorize them by what part of the plant we eat.

<p>Roots</p> 		<p>Flowers</p> 	
<p>Stems</p> 		<p>Fruits</p> 	
<p>Leaves</p> 		<p>Seeds</p> 	

Bonus: Name a plant that has edible stems, leaves and seeds. (Hint: Think of some spices!)
